May 2027

Dear Gehring Families,

Welcome to the start of a new and exciting school year at Roger D. Gehring Academy of Science & Technology. I hope this letter finds you and your family well and rejuvenated after a fun and relaxing summer break. As we gear up for another phenomenal year of learning, growth, and discovery, I want to extend a warm welcome to all our returning families and a special greeting to those who are new to our school community.

At Gehring Academy, we are committed to providing a nurturing and engaging educational environment where every child feels valued, challenged, and supported. We are excited to continue our academic excellence, creativity, and community-building journey with you and your children.

From our inspiring curriculum to extracurricular activities, we continue to be focused on fostering a love of learning and encouraging each child to reach their full potential. We believe in the importance of collaboration between home and school, and we value your involvement in your child's education.

Please mark your calendars for our upcoming Back-to-School Event on Friday, August 7th, from 3:30 p.m. to 5:00 p.m., where you can meet your child's teacher, learn more about the curriculum, and connect with other families. We look forward to sharing our goals and vision for the school year with you and answering any questions you may have. Doors will open at 3:30 p.m. for the first presentations to begin at 3:45 p.m., and the second set of presentations to start at 4:30 p.m.

The first day of school for all students is Monday, August 10th, 2026. The playground gates open at 8:55 a.m., and the tardy bells ring promptly at 9:15 a.m. School ends at 3:45 p.m. Our updated instructional workday is from 9:05 a.m., when students head over to their classrooms, and the end of the day is at 3:45 p.m.

Class placements will be sent out shortly to parents who have completed their child's online registration. Information about online registration with the Clark County School District is available here. Ensure that all vaccinations are up to date by the first day of school.

As you start preparing for the school year, please see the attached documents regarding our required standard student attire policy and proposed supply lists. Gehring Academy will offer free breakfast and lunch to enrolled students under the Community Eligibility Provision program for the 2026-27 school year.

Communication is key to a successful school year, and we encourage you to stay informed and engaged. Our school website, newsletters, and social media channels will provide regular updates on school events, important dates, and news. Please do not hesitate to contact your child's teacher or our office staff with any questions or concerns. We are here to support you and your child every step of the way. Our Student-Parent handbook is available here. Families may choose to set up their own account to pay for different activities and supplies. Information about setting up the account will be forthcoming as CCSD banking systems are being updated.

Thank you for choosing Gehring Academy for your child's education. Your trust in us is a responsibility we take very seriously. Together, we can create a positive, enriching, and memorable school experience for all our students. I am confident that this school year will be filled with exciting opportunities and achievements for everyone.

Welcome back to school!

Warm regards,

S. M. Robinson -

Sarah Robinson
Principal @ Gehring Academy
