

CAREER READINESS PROGRAM STATS

Leadership Prep School 25/26

Prepared by Retna Shaw,
Career Readiness Coordinator

Job Shadowing Hours 8th - 12th Grade

Job Shadowing hours for students in 8th through 12th grade were meaningfully expanded through a diverse range of experiential learning opportunities. These hours were earned through engaging in-house "Lunch and Learn" sessions, internship opportunities, Alison courses, immersive career exploration field trips, dynamic guest speaker presentations, and hands-on, real-world application projects.

Professional Speakers

To date, we have welcomed **78 speakers** representing a wide range of career sectors, significantly enriching our students' exposure to diverse professional pathways. These individuals contributed through engaging "Lunch and Learn" sessions and enrichment opportunities, with several also serving as industry experts and guest lecturers within our classrooms.

Student- Led Enterprise

We successfully launched our student-led enterprise, **Lead and Latte**, in October, creating an authentic, hands-on business experience for our students. Operating every **Thursday from 7:15 a.m. to 7:50 a.m.**, the venture offers breakfast items, coffee, matcha, and hot chocolate for sale. Students take full ownership of weekly operations. In addition, Lead and Latte proudly partners with our Transition Department to provide meaningful opportunities for SPED students.

Profit & Loss :
Total Sales : \$1828.70
Expenses : \$610.37

**Profit :
\$1218.33**

Internships

We have continued to work diligently to expand our partnerships with organizations across the Dallas area, strengthening opportunities for student engagement and career exploration. As a result of these efforts, 42 LPS-sourced internships have been secured during this school year. Our growing network of internship partners includes organizations such as Frisco Family Services, 3to1 Foundation, Hispanohablantes, and others.

Mock Interviews/ DOL's

These events have demonstrated the strongest community engagement, with 102 industry professionals and parent volunteers. Our upcoming 9th and 10th Grade Mock Interviews on 5/6. We will welcome professionals from Wells Fargo, CUTX, and HEB. This is on track to become our **largest mock interview initiative to date**, with plans to provide interview experiences for more than 200 9th and 10th grade students in a single day.
