James G. Donovan, Assistant Superintendent for Human Resources
Beth A. Rella, Ed.D., Assistant Superintendent for Business
Jonathan Singer, Assistant Superintendent for Instruction

Dear Parent/Guardian,

June 2026

This summer, the district will be offering online virtual summer school classes for students who have failed a class. The platform that will be utilized will be Educere. Educere is an online, self-paced program where students complete work and assignments, unit exams, and a final exam. Learning specialists are available to assist students with content.

Students who need to retake a Regents Exam will do so at Centereach High School and there will be a separate registration process for that.

There will be a virtual orientation and information session for Educere, through **Google Meet, on Thursday, July 2, at 10:00am**. The session will be hosted by the Guidance Department and a representative from Educere, and there will be an opportunity to ask questions regarding credit recovery through online summer school.

If you join the Google Meet utilizing your child's MCCSD domain information, you will be automatically entered into the meeting. If using outside credentials, you will be granted permission to join at that time. Meeting link may be found here: <https://meet.google.com/ijj-qjju-hvh> Or dial: +1 475-522-0986 PIN: 81 6 633 653#

Deadline to register for a course through Educere is July 6, 2026. All online work and final exams need to be completed by the course closure date on August 26, 2026. Registration information can be found on the district website. Students may take up to 3 classes.

Parents should select "Abbreviated Credit" when they select the bold courses in the registration page.

Please contact your child's guidance counselor with any questions regarding your child's eligibility to take any particular class.

Sincerely,

Guidance Department
