Non-KISD Resident Interdistrict Transfer Information

Krum ISD Interdistrict Transfer Guidelines

All approved transfer applications are granted for one school year at a time. Transfer students must submit a new transfer application annually.

The transfer forms will be available during the transfer window beginning on June 1 of each school year. Completed applications are to be turned into the desired campus starting the first Monday in June during summer office hours. First submitted is first considered.

Consideration of Transfer Request – Policy FDA(LOCAL)

In evaluating each transfer request, Krum ISD will consider the following:

- Individual needs of the student and reason provided on the transfer request;
- Student’s behavior and attendance history;
- Overall effect the transfer will have on the home and receiving school; *
- Current enrollment and growth projections;
- Teacher allocations and class size; and/or
- Other factors relevant to a particular transfer request.

**Krum ISD will not increase staff allocations to accommodate transfer requests.*

Consideration of the effect of the transfer may differ at elementary and secondary schools. Krum ISD generally will deny or freeze a request seeking transfer to campuses where the affected grade level enrollments are projected at 90 percent or greater of class size expectations. Secondary – Various factors will be considered to determine whether the transfer would negatively affect the particular campus’s ability to maintain reasonable class sizes.

Transportation

Krum ISD only provides transportation for transfer students if required by law. Parents will be responsible for providing transportation to and from the campus.
