

GED BOOTCAMP CLASS IN JUNE

LEXINGTON ONE ADULT EDUCATION

WHY THE GED?

Earning a GED is a way to acquire a secondary school credential without graduating from a traditional high school. Enrolling in a prep class can help familiarize you with what is on the test, the types of questions you will be asked, and the format used on the GED tests.

WHAT IS BOOTCAMP CLASS?

For qualifying students, our accelerated GED class takes place during the month of June. At Bootcamp, we'll build on your strengths, focus on areas for improvement, and teach valuable test-taking strategies to ease any anxieties. Most importantly, we'll be there every step of the way, cheering you on and offering support!

How do I Get Started?

Simply apply online! Then, we'll schedule a time for your placement test.

How do I qualify?

To join our accelerated class, all you need is a qualifying TABE reading score and a commitment to attending morning classes during the month of June. Register by **Thursday, May 21, 2026**.

If this isn't the right time, we will have other enrollment options in August for GED classes. We're excited to help you take the next step!

What do I need?

For your initial appointment, just bring your state-issued ID or driver's license, plus a \$25 registration fee. Be sure to set aside 3 hours for the process.
