| 8/22/2024   | Informed Resident  | Contract for the District's purchase of Yondr phone cases and related equipment, any documents (including communications) related to the decision to procurement of such contract. Any written policies and procedures implementing the new Phone Free Schools policy and the person(s) approving the policies and procedures. Also, policies and procedures governing the District's asserted right to search students belongings to determine compliance with the new Yondr case requirement, require students to remove the cases/phones from their bags to prove compliance, and/or seize students cell phones. If there is no formal policies or procedures on this, provide copies of emails or other communications sent to staff to guide them as to how they are expected to enforce the policy. Any written analysis and applicable policies or procedures that justify or analyze the legality of any planned search, seizure, and/or random spot check of students belongings in their personal school bags and/or personally owned Yonder cases. Meeting minutes or policies documenting District Board approval and/or delegation of authority to approve the above requested contract, policies and procedures and electronic copy of all responses to public, student, parent, and teacher surveys regarding the implementation of the new Phone Free Schools. | Abandoned              | 39                   | \$390.22   |                   | <b>\$390.22</b>   |

| 8/4/2025  | Moe Clark     | Any and all completed or pending formal or informal district investigations into former Mercer Island High School teacher Gary "Chris" Twombley that was shared with school administrators, school board members and/or police investigators. It is my understanding that the school district commissioned a third-party investigation in 2024 after Twombley was put on administrative leave in December 2023, separate from an investigation conducted by the Mercer Island Police Department.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |  | 87  | \$0.00   |             | <b>\$0.00</b>      |
