

Giving to the New Parents' Appeal at Crofton House School

The campus of Crofton House School lends itself to cultivating relationships and deepening inquiry. Our students, staff, and families bring the campus to life each day. This welcoming learning environment where your daughters spend their days was made possible through the vision and generosity of past and current Crofton parents.

We invite you and all other new Crofton parents to join this company of families who have played a vital role in making the School what you see today. Your gift—no matter the size—will help the School continue to flourish today and tomorrow.

Frequently Asked Questions

What is Advancement?

The Advancement Department at Crofton House strives to help all members of the community—parents, students, staff, alumnae, and friends—engage with and contribute to the School in ways that make sense for them and that align with the School's values and commitments. This includes securing philanthropic gifts that support the School.

How many families participate in the New Parents Appeal?

We aim for 100% participation from our new families and have typically achieved participation levels above 90%.

How do I know how much to give to the New Parents Appeal?

Gift amounts vary according to each family's personal circumstances. CHS families have made commitments ranging from \$100 a year to \$1,000,000. The average gift amount for the 2024/25 New Parents Appeal was \$47,500. We encourage you to make a gift that is meaningful to you and your family.
