

CENTURY HIGH SCHOOL SUMMER SCHOOL 2026

Dear Summer School Student & Parent(s)/Guardian(s):

- Century Summer School will be using the online program Edmentum, CK12 and department Credit Attainment Plans/Google Classrooms as a tool to deliver the needed curriculum to students for their graduation requirements.
- Each student in Summer School will have completed the summer school registration form and their counselor will have selected courses for them to complete. Students can complete up to two full credits.
- Students **are not retaking full courses**; they are recovering credit by focusing on identified areas of learning that need growth (key outcomes), which resulted in failure of the original class. Students will complete course testing after they provide evidence of notes for each unit. The amount of time to complete credit recovery will vary from student to student.
- Students receive credit based on completed units, evidence of notes, test completion and projects.
- **When a student completes the coursework needed and completes summer school**, parents and students **receive an exit email verifying completion** with a grade of S (satisfactory recovery of credit). This exit email is proof of their approved exit from summer school prior to the end of the session.
 - Note: If you and your student do not receive an exit email this means your student still has work to complete to earn credit.
- It is important to know the rate that each student completes work and demonstrates proficiency varies. **Working on their courses outside summer school in person hours** can result in completion of summer school **prior** to July 1st in person end date.
- On average a student can **recover up to one credit**. If a student has additional credits to recover, they will be enrolled in Academic Options during the school year or continue recovery the following summer.
- **Note:** Record of student's credit completion is entered into the transcript by the end of August.

Attendance Hours

Summer School Entrance: Enter at the North End of the building by the Gym.

Students will receive an email with classroom assignments and classroom assignments will be available upon arrival on Monday June 15th.

Required in person attendance hours:

- 9th-11th 8:00 am to 11:30 transportation available.
- Seniors in person 12:00-3:30 and 11th grade students that want to attend in the afternoon: **Note-no transportation provided in afternoon** but if a student is interested in afternoon session see Mr. Gower.
- **Required:** Students access Edmentum/CK12/Credit Attainment assignments each day of summer NOTE: Edmentum/CK12/Google Classroom Assignments/Credit Attainment plans are available for student work 24 hours a day and students should expect to spend a minimum of 3 hours a day working. Many students choose to put in more hours and work outside of class to complete courses sooner.
- **NOTE:** Students can request live one-on-one meetings with instructors outside of class. The instructor will provide a meet link or use the Google Classroom meet link.
- **Communication to students:** Teachers and Grad Coaches will communicate with students during in-person sessions. In addition, communication will take place via the student's school email, the communication tool in Edmentum or Google Classroom.

Attendance:

- To be marked in attendance for the day students need to attend in person to the session.
- If your student will be absent, please have parent or guardian email: chssummerschool@hsd.k12.or.us

Bathroom Breaks:

- One student at a time is allowed out of their designated room for a bathroom break.
- Students sign out and sign in on the break sheet. NOTE: In class breaks can be taken at the discretion of the classroom teacher.
- Students are expected to stay on the Northside of the building. Failure to follow the allotted time given for a break and/or not adhering to the request of staying in the Northside location may result in the student being removed from the summer school program.

Phones: We will follow the State/district building/classroom phone policy. Students are expected to have phones off and away during learning time. If a student is unable to follow this expectation, we will ask them to store their phone during summer school hours. If a student refuses to stay off phone during summer school, they are subject to being removed from the summer school program.
