

Example New Furniture

Jackson Elementary

Level: ES · Service Area: West · April 2026

Bond 2026 Allocation
\$1,000,000

ANTICIPATED IMPACT ON FACILITY SCORES

The proposed scope targets two of Jackson's Highest Need systems: Building Infrastructure and Site Improvements, two categories driving Jackson's FCI score.

A new playground, updated classroom furniture, and a fresh interior painting refresh directly impact EA performance in Classrooms (54%) and Community (60%).

These improvements address the interior and exterior infrastructure conditions that affect both student experience and long-term building performance.
