

Example Playground Upgrades

Martinez Elementary

Level: ES · Service Area: Northeast · Visual and Performing Arts · April 2026

Bond 2026 Allocation
\$3,000,000

ANTICIPATED IMPACT ON FACILITY SCORES

FCI

50+ 25 0

EA

<50 75 100

The proposed scope targets Martinez's two Highest Need systems: Building Infrastructure and Code/Security, the categories driving Martinez's FCI score.

As a Visual and Performing Arts school, a cafeteria renovation, new playground, and arts integration upgrades directly impact EA performance in Assembly (80%), Community (71%), and Presence (56%).

Bathroom renovations and entry improvements address the interior infrastructure conditions that affect both student experience and long-term building performance.

PROJECT PRIORITIES

Bathroom Renovation	HIGH
New Playground	HIGH
<i>New equipment that includes ADA appropriate sections to support all students.</i>	
Cafeteria Renovation	HIGH
<i>Reconfiguration and allowing for indoor/outdoor use of space.</i>	
Site Improvements	HIGH
Hardscape	HIGH
<i>Expand east parking lot.</i>	
Tubular Skylights in Inner Classrooms	HIGH

District Priorities include HVAC projects, roof upgrades, and updates to fire and security systems.
