

Example Bathroom Renovation

Queen Palmer Elementary

Level: ES · Service Area: Central · April 2026

Bond 2026 Allocation

\$1,000,000

ANTICIPATED IMPACT ON FACILITY SCORES

FCI

50+ 25 0

EA

<50 75 100

The proposed scope targets Queen Palmer's Highest Need system, Building Infrastructure, the primary category driving Queen Palmer's FCI score.

The creation of an outdoor learning classroom with seats and shading, bathroom renovations, and new LVT flooring throughout the school directly impact EA performance in Extended Learning (11%) and Community (31%).

These improvements address the interior and exterior infrastructure conditions that affect both student experience and long-term building performance.

PROJECT PRIORITIES

Bathroom Renovation	HIGH
New Flooring	HIGH
Flexible Classroom Creation	HIGH
Creation of an outdoor learning classroom with seats and shading.	

District Priorities include roof upgrades and updates to fire and security systems.
