

# Stratton Elementary

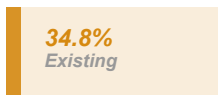

Level: ES · Service Area: Central · April 2026

## ANTICIPATED IMPACT ON FACILITY SCORES

Bond 2026 Allocation

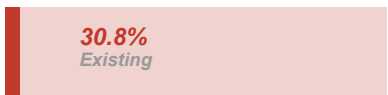

**\$3,000,000**

### FCI

50+ 25 0

### EA

<50 75 100

The proposed scope targets Stratton's two of the Highest Need systems: Building Infrastructure and Code/Security, two categories driving Stratton's FCI score.

Demolition of the existing SPED building and its replacement with a new addition directly addresses the most critical infrastructure deficiency on campus and impacts EA performance in Classrooms (31%), Environmental Quality (67%), and Organization (31%).

## PROJECT PRIORITIES

### New Addition

**HIGH**

Demolition of existing SPED building and replacement.

District Priorities include roof upgrades and updates to fire alarm and security systems.
