

Example Flexible Classroom

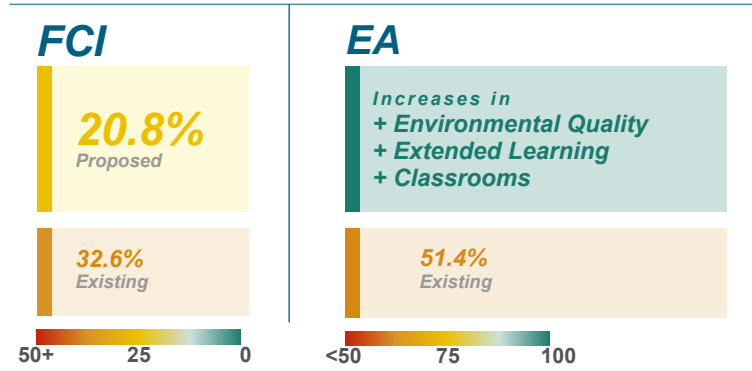

# Sabin Middle School

Level: MS · Service Area: Northeast · April 2026

Bond 2026 Allocation

**\$7,000,000**

## ANTICIPATED IMPACT ON FACILITY SCORES

The proposed scope targets two of Sabin's Highest Need systems: Building Infrastructure and Site Improvements, the categories driving Sabin's FCI score.

Window Replacement, New Furniture, New Flooring, and Interior Painting will all increase scores in Classrooms (41%) and Environmental Quality (42%). Flexible Classrooms Creation will improve Extended Learning (11%).

The proposed improvements address the interior and exterior infrastructure conditions that affect both student experience and long-term building performance.
