

Example Flooring Updates

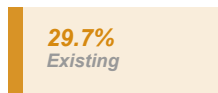

# Scott Elementary

Level: ES · Service Area: Northeast · April 2026

Bond 2026 Allocation  
**\$2,000,000**

## ANTICIPATED IMPACT ON FACILITY SCORES

### FCI

50+ 25 0

### EA

<50 75 100

The proposed scope targets Scott's two Highest Need systems: Building Infrastructure and Site Improvements, the categories driving Scott's FCI score.

New flooring, updated furniture to support 21st century learning, interior painting, and hardscape improvements directly impact EA performance in Classrooms (56%), Presence (69%), and Community (54%).

These improvements address both the interior and exterior infrastructure conditions that affect student experience and long-term building performance.

## PROJECT PRIORITIES

<b>New Flooring</b>	<b>HIGH</b>
<b>New Furniture</b>	<b>HIGH</b>
