Diploma and Certificate Endorsements

These endorsements are a COMAR requirement (§13A.03.02.09) and are designed to recognize students' specialized coursework and achievements in specific areas of study, thereby enhancing their competitiveness for post-secondary opportunities and careers. Beginning with the 2024-2025 school year, students had the opportunity to earn various endorsements, including diploma endorsements for attaining College and Career Readiness status, and/or completing a Career and Technical Education pathway, as well as specific competencies for students completing a certificate program. Those students wearing a tri-colored cord (blue, green and red), have earned these endorsements.
