

Summer With the Library

June 1 to August 15, 2026

New Castle County Libraries

Instructions:

Teens ages 13-18

To finish the Summer with the Library Challenge, you must complete 10 spaces. Each space can be completed by reading one (1) book or doing a library activity. See back for a list of activities.

Write the book titles or activities completed in the game board squares. Once you have completed the ten spaces on the path and reached the finish, bring your game board to your local New Castle County public library to collect your free book.

You can also log your progress online with Beanstack. Everyone who turns in a completed challenge will earn a free book and certificate.
