

2026 Professional Development Opportunities

This site will be updated on a frequent basis so please check back often to explore other professional development opportunities.

There are several Professional Development Opportunities provided this summer.

There are eight required days of in-service annually: Summer (1); Required Annual Trainings (1); System wide In-service (1); Workdays at schools (3); Parent Teacher Conferences (1); Faculty meetings throughout the year (1).

If a teacher chooses the stipend option, they may not count that day towards the in-service requirement (**only two stipends can be chosen each year**). Additional in-service time (PDP's) that is accumulated may be used toward license renewal and documentation should be uploaded to TN Compass for approval.

You do not have to sign up for required in-services. You are expected to attend an in-service that is required if you are in the group listed. If you cannot attend you need to let the appropriate supervisor know you will not be there. You can sign up for optional dates using the Google Spreadsheet link:

Assistants are also invited to attend if space is available.

All in-services begin at 9:00 and end at 3:00 unless otherwise noted.
