June 2026

NCECC: St. Michael

Dear Parents and Guardians,

As the 2025-2026 school year comes to a close, the faculty and staff of NCECC: St. Michael joins me in thanking our families, volunteers, and Home and School Association for your continued support during the school year. Your dedication to Newman Catholic Schools and our students is immensely appreciated. The children have accomplished so much this year. Please know we are extremely proud of them!

We hope you enjoy your summer praying daily as a family, attending Mass regularly, reading often, eating healthy, exercising, getting plenty of rest, exploring and enjoying God's world, and most of all, spending quality time with family!

I have enjoyed getting to know you and your children and watching them learn and grow. I cannot wait to see what next year will bring! Have a wonderful summer and we'll see you in September for the start of the 2026-2027 school year.

God bless,
Sarah Welch
Site Director

NCECC: St. Michael Employment Opportunities

Child Care Teachers - Experience preferred but not required. Any necessary training will be provided.

We're looking for:

- ◆ Second teacher in Rainbow classroom (2 1/2 years to 3 years).

Classroom News

Little Lambs

Summer is finally upon us and this month in Little Lambs we will be taking lots of walks. On these walks we will be noticing all of the different animals that we can find along with all of the plants and trees. Since we will be spending time outside please make sure to provide sunscreen if you do not want us to use our sunscreen on your child. Also, please make sure to have weather appropriate clothing for your child.

God Bless,

Little Angels

In the Little Angels Classroom, during the month of June we will be focusing on the following:

-Developing positive social skills, specifically regarding taking turns with toys during games, in the gym and on the playground. We will teach the children not to throw toys indiscriminately, but a specific purpose, and to ask their parents for assistance- they're fostering an attitude of helpfulness and cooperation.

- We will continue working on the different emotions: Happy, excited, joyful, sad, angry and tired. Along with learning how to breathe deeply (like smelling a flower) to relax.

- We will work on various art projects following the themes of the monthly plan.

- We continue working on norms of respect, order, and hygiene: sharing, apologizing and caring for and helping our friends.

- We count and observe different shapes and colors through card games, toy and picture cards.

- We will try to learn the Guardian Angel Prayer as well!

God Bless

Miss Gabby

4K AM, 4K PM , 3 Year Old Preschool

Rainbow

Hello Rainbow room families. In the month of June we will be celebrating Father's day and learning about camping. A few fun events and activities we have planned include a classroom "campsite" , a fishing game, a bug hunt and firefly art. We will also be learning about the outdoors and going on some nature walks and making art out of things we find along the way. We also plan on making bird/ squirrel feeders and learning about trees and fire safety. I look forward to a fun filled first month of summer, Mrs. Liz

Noah's Ark

Hello Families, Happy June!

We are so excited to welcome a month full of sunshine, discovery, and summer fun into our classroom! Throughout June, students will be exploring a variety of summer themed topics through hands-on activities, sensory play, outdoor exploration, creative art projects, and engaging story times. Our lessons this month will focus on beach adventures, summer nature processes, plant growth, ocean life and ocean animals, friendship, and sun safety.

The children will enjoy reading fun summer books, exploring nature during walks, pretending at the "beach" during dramatic play, and participating in simple science activities that encourage curiosity and discovery. We will also continue building important social/emotional skills like kindness, cooperation, sharing, and communication through group activities and play-based learning experiences!

We are looking forward to a joyful month of learning, laughter, creativity, and making wonderful summer memories together! Thank you for your continued support and partnership.

Please reach out to me if you have any questions or comments!

Ms. Leah

Young Disciples

Hello from Young Disciples. This month we have our end of year party "for those going on to kindergarten only" on Friday June 5, 2026. If you haven't please RSVP. Also saying goodbye to some Amazing kids that I've had and that's always hard. We are busy working on Father's day gifts and can't wait to get them all done. The month of June we will learn about butterflies, bugs and gardening. Hopefully we can grow some flowers. We also will start our summer fun and will start planning field trips. If you have any suggestions please let me know! So excited for warmer weather and sunshine. Blessings to you all this month and here's to warmer weather.

Sincerely,

Ms. Paula
