RFQ#2026-005 Capital Program Management and Coordination Services - Initial Questions:

1. Is there a possibility of extending the submission deadline? This is a significant program management effort and the requested detail of the RFQ reflects that. If there can be an extension of the turnaround (especially considering the holiday on Monday) that will help all respondents in their preparation.
   Answer: Yes, see Addendum #1

2. Is there a master schedule or other information on the sequencing of the 10 projects listed in the RFQ/P?
   Answer: Yes, we will provide documents once Project Vendor is selected.

3. Related, does the expenditure of $135M per year relate to a planned sequence of project delivery?
   Answer: Yes, Capital Studies. This is aggregated for district not per year.

4. Is there an overall page limit to the response, or just within the sections as noted on page 25?
   Answer: As Noted in RFQ

5. Can you please provide more information for the request for bond issuance schedule examples in Section 2.2.1.k?
   Answer: We do not have a question 2.2.1.k; however, you may be referring to question 4.2.2.k. For this question, we are looking for example of what a bond issuance worksheet would look like and how you would direct us on the annual interest and principal to be recorded on the general ledger and notes of an audit.

6. In Section 9.0 related to MWBE requirements, is there an expected goal for participation?
   Answer: No

7. The Scope of Work references a $135 million per year capital construction program. Does the district have any program information regarding the needs and budgets for the tentative capital program projects?
   Answer: Yes, Capital Studies. This is aggregated for district not per year.

RFQ#2026-005 Capital Program Management and Coordination Services - Initial Questions:

8. We obtained a copy of the 2025 Statewide School Districts Capital Needs Report. This provides a summary of the district's needs. Does the district have the district level report that could be shared that supports the summary data in the report?
   Answer: Yes, Capital Studies

9. The RFQ mentions a referendum for capital construction projects. Does the District have a proposed schedule for a referendum?
   Answer: The district is in the process of preparing a Bond Referendum this November, as well as applying for State assistance and Federal Grants in FY 26-27.
