**Learn the stories
of CEF Scholarships**

Carmel Education Foundation scholarships are primarily funded by individuals, families, or organizations to honor loved ones, create lasting legacies, or recognize club/team members who have demonstrated excellence in their respective areas.

Each scholarship has unique qualifications.

To ensure fairness and uphold the integrity of the process, all applications are reviewed blindly, with names and other identifying details removed. Each submission is evaluated by individual donors (or their representatives) as well as members of the Carmel Education Foundation Scholarship Committee. Reviewers thoughtfully assess every application to identify the student who best embodies the scholarship's purpose and selection criteria.
