

CHOOSE YOUR OWN ADVENTURE

Guests will have the opportunity to experience up to FOUR 30-minute experiences from this menu of offerings. Please note that some will start right on the 30-minute mark while others are a more relaxed, Open Housed-style experience.

- **Head of School Q&A in the John D. Ong Library:** Join Head of School Suzanne Walker Buck P '24 for conversation and an audience Q&A focused on the present and future of Reserve.
- **Film Screening: *Just & Perfect*:** Grab some popcorn and take a seat in our Knight Fine Arts Center auditorium for a screening of our award-winning Frederick Douglass film.
- **Academic Open House:** Drop in to meet faculty and explore four featured classes*
 - **English: Reserve Writing Exam** (otherwise known as the JWE!) | Seymour 311
Join us as we unpack the 2025 poem, reveal the prompt and imagine how one might approach the four-hour writing challenge every WRA graduate has faced since 1980.
 - **Science: Growing Cancer in the Lab: Human Cell Culture** | Wilson 216
Watch as our students demonstrate the same cell culture techniques used in cutting-edge cancer research, and walk away from this session with a look at how scientists grow and maintain living human cancer cells in the lab!
 - **Mathematics: Investment Simulation** | Seymour 112
Explore an investment simulation that our students in Financial Math courses get to experience and see if you are a savvy investor!
 - **History: Become a Super Taster from the Psychology of Food** | Seymour 210
Walk away from this session understanding how all of your senses contribute to the flavor of food. Using the same techniques to train testing teams at Nestle, learn to taste food like a cognitive psychologist.
- **Makerspace Showcase:** Stop by for hands-on swag making and explore our Wang Innovation Center.
- **The Sounds of Hayden Hall:** A wander-through musical experience — say hello to Midge Karam '79 and revisit the magic of music at Reserve.
- **Student Life & DEIB Office Open House in Wilson Hall:** A relaxed, drop-in opportunity to learn about today's student experience, community programming, affinity groups and more.
- **Archive Museum in Moos Gallery:** Explore at your leisure newly unearthed treasures from Reserve's first two centuries in this walk-through exhibit, featuring an interactive experience with our Bicentennial Tree.

**Each class is 25 minutes — so you could fill the entire time by taking all four classes!*
