Important to Know:

- ★ If students wear uniform/gym shoes with laces they **MUST** be able to tie them on their own. If they can't tie laces, please purchase slip-ons or velcro/elastic closure shoes
- ★ Please have students memorize single digit addition and subtraction facts
 - If addition and subtraction facts are already memorized, please practice multiplication and division facts over the summer.
- ★ Addition/subtraction/multiplication/division flash cards can be made with index cards, downloaded and printed, or purchased at most dollar stores/Walmart/Target
- ★ There are also free websites such as [Xtramath.com](https://www.xtramath.com) or [factmonster.com/math/flashcards](https://www.factmonster.com/math/flashcards) where students can practice math facts
