

Classified Active 2026 – 2027 Rates

All SAUSD employees pay for their medical insurance coverage. Be sure to look at the appropriate chart for your specific rates. The tables below summarize the employee contribution amount that will be effective July 1, 2026. Remember, your contributions for healthcare coverage are deducted tenthly (10 months) before taxes and are calculated each pay period, effectively lowering your tax liability.

Rates are effective July 1, 2026, through June 30, 2027

Tenthly rates for Classified Employees with 2+ years in a benefited position
