ICS dances are intended for current ICS students. ICS Students in grades 9-12 may sponsor one guest per event. Guests must be currently enrolled in school (grades 9-12). The ICS student sponsor must complete and submit this guest form prior to purchasing tickets. Exceptions to the guest requirements will be made only in exceptional circumstances and at the sole discretion of the principal.

Admission to all dances will close thirty minutes after the scheduled start time of the dance. A student that leaves a dance will not be readmitted. All attendees are expected to abide by the ICS student handbook, including dress code.
