“I will attend college”
Pre: 44% Yes 31% No 25% Not Sure
Post: 100% Yes

“I will consider choosing a career in Math or Science”
Pre: 40% Yes 40% No 20% Not Sure
Post: 70% Yes 20% No 10% not sure

# MOU Highlights

**Agreement Overview:**

- Five-year agreement: July 1, 2026 - June 30, 2031
- Expected start date: Fall 2026
- Non-CCAP: Concurrent Enrollment
- Stipend Process

# Pilot Concurrent Enrollment

*What is the Concurrent Advantage?*

## Advantage #1

Building accelerated concurrent enrollment pathways for ARUSD students to improve college access, success, degree completion, and socioeconomic mobility.

## Advantage #2

The goal of the pilot program is to utilize concurrent enrollment pathways as an entry point to early college enrichment.

Prioritize students who are underrepresented in higher ed, not already college bound, first gen, low income, and other systems impacted populations.

# Fall 2026 - Pilot Concurrent Enrollment Program begins

## Target participation goals:

- 10 rising 9th graders will participate in SJCC Summer Bridge (Yr. 2)
- 8th graders from Ocala Middle School will participate in the fall pilot cohort.
- Students will enroll in College Counseling 13 for three transferable college credits.
- A total of 30-35 students are projected to enroll per course.
- 8th graders from Sheppard, Renaissance at Mathson and Adelante Middle Schools will participate in later semesters on a rolling basis.

# Fall 2026 - Pilot Concurrent Enrollment Program begins

## Teaching

The course will be taught by a qualified ARUSD teacher.  Our district teacher will undergo the process of onboarding as adjunct faculty with EVC.

## Support

EVC Outreach teams, in collaboration with ARUSD are coordinating enrollment workshops, parent education and assistance for registration of the cohort.

# Our Vision for the Future

## An Ongoing Partnership

- Continued collaborative conversations to create sequential courses through Summer 2027.
- Capture student voice and gather input to incorporate in the framework of this program.
- Create a long-term partnership between ARUSD and SJECCD.
- Support student understanding of an education plan so that they can enter high school with a vision for their future.

# Schedule

| | |
|---|---|
| Class Lecture: | Tuesdays and Wednesdays<br>3:15 - 4:45 (est.) |
