

Park Prep Crew: Families Mulching

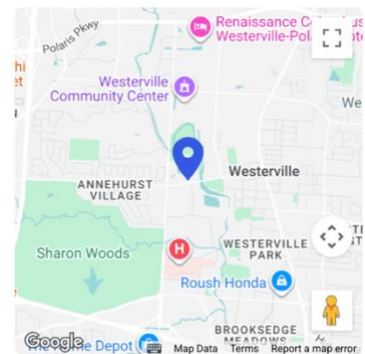

A FREE Seeds of Caring In-person Event

Wednesday, June 3

9:30 a.m. - 11 a.m.

First Responders Park

374 West Main Street
Westerville, OH 43081

Ready to make a difference for our local environment? Step up as a person ready to prepare our parks for a new season and help our green spaces thrive. Join [Seeds of Caring](#) as we partner with [Westerville Parks and Recreation](#) to care for our community's natural areas. Together, we'll take action by mulching and cleaning up our parks. In the process, all will learn how mulching helps to better protect native plants that keep our parks healthy.

Ages 2-12. Adult caregivers are required to accompany child participants.

All supplies will be provided for the program. Participants should wear closed-toed shoes, long pants, and clothes that can get messy. Please bring a water bottle, sunscreen, and bug spray. Garden gloves of all sizes will be provided, but feel free to bring your own!

Learn more and register at <https://www.eventbrite.com/e/1988341864040>
