

2026-27 Upper School Preseason Sports Camps

Preseason sports camps prepare students to play on our fall athletic teams. The camps provide technical and tactical instruction, suitable for athletes of all ability levels. They also promote team building and school pride. All athletes should plan to arrive 15 minutes prior to the start of their first practice. Athletes should report to the athletic trainers at the check-in table outside of Clayton Gym.

Register

Registration begins mid-June
