Appeals/Due Process

If a student's parent/guardian disagrees with the school site staff's judgment on grade-level placement, course placement and/or equivalency of academic credit, the parent/guardian may appeal to the Superintendent or designee.

Within 10 working days of notification of placement or credit determination, the parent/guardian may request, in writing, a conference with the Superintendent or designee to review the school site staff's decision.

The Superintendent or designee shall schedule a conference within 10 working days of the parent/guardian's request. This meeting may include the principal or designee, representatives of the school's certificated staff, and the student's parents/guardian. It shall be the parent/guardian's responsibility to present evidence that the facts do not support the school staff's decision on the student's placement and/or transferability of prior credits.

The Superintendent or designee's decision shall be final.

Transfer of Coursework and Credits for Highly Mobile Students

Highly mobile student means a foster youth, student experiencing homelessness, former juvenile court school student, child of a military family, student who is migratory, or a student participating in a newcomer program as specified in Education Code 51225.1.

When a highly mobile student transfers into a district school, the district will receive an official transcript from the transferring school or district which reflects full and partial credits and grades earned by the highly mobile student and includes: (Education Code 51225.2)

1. A determination of the days of enrollment and/or seat time, if applicable for all full and partial credits earned based on any measure of full or partial coursework being satisfactorily completed

   Partial coursework satisfactorily completed includes any portion of an individual course, even if the student did not complete the entire course

2. Separate listings for credits and grades earned at each school and local educational agency so it is clear where credits and grades were earned

3. A complete record of the student's seat time, including both period attendance and days of enrollment

The district shall transfer the credits and grades from the transferring school's transcript onto an official district transcript in the same manner as described in Item #2, above. (Education Code 51225.2)

If the Principal or designee has knowledge that the transcript from the transferring school may not include certain credits or grades, the Principal or designee shall contact the prior school within two business days to request that the full or partial credits be issued, which shall then be issued and provided by the prior school within two business days of the request. (Education Code 51225.2)

The district shall accept and issue full or partial credit for any coursework that the highly

mobile student has satisfactorily completed while attending another public school, a juvenile court school, a charter school, a school in a country other than the United States, or a nonpublic, nonsectarian school or agency, as applicable. (Education Code 51225.2)

If the entire course was completed, the district shall not require the highly mobile student to retake the course. (Education Code 51225.2)

If the entire course was not completed at the previous school, the highly mobile student shall be issued partial credit for the coursework completed and shall be required to take the uncompleted portion of the course. However, the district may require the highly mobile student to retake the portion of the course completed if, in consultation with the holder of educational rights for the highly mobile student, the district finds that the highly mobile student is reasonably able to complete the requirements in time to graduate from high school. Whenever partial credit is issued to a highly mobile student in any particular course, the highly mobile student shall be enrolled in the same or equivalent course, if applicable, to enable the completion of the entire course. (Education Code 51225.2)

Partial credits shall be awarded on the basis of 0.5 credits for every seven class periods attended per subject. If the school is on a block schedule, each block schedule class period attended shall be equal to two regular class periods per subject.

In no event shall the district prevent a highly mobile student from taking or retaking a course to meet the eligibility requirements for admission to the California State University or the University of California. (Education Code 51225.2)

Notification and Complaints

Information regarding the educational rights of highly mobile students, as specified in Education Code 51225.2, shall be included in the annual uniform complaint procedures notification distributed to students, parents/guardians, employees, and other interested parties pursuant to 5 CCR 4622. (Education Code 51225.2)

Any complaint alleging that the district has not complied with requirements regarding the education of highly mobile students, as specified in Education Code 51225.2, may be filed in accordance with the district's procedures in Administrative Regulation 1312.3 - Uniform Complaint Procedures.
