Business Office - Payment Plans

SRDS Tuition billing system; accounts must be in Finals site from an audit perspective. **When you submit a contract into Finals site, you will be directed to Billing, where you will pay your deposit. Your payment plan will be set up according to your contract choice.**

Options for paying:

1. **Payment plans:**
 - a. **annual plan** due July 1
 - b. **semi annual** plan due July 1 and Dec 1
 - c. **10 month** payment plan July 1 through April 1; since April 1st is the last payment, the number of payment months are reduced if you enroll after July 1 (e.g., if you enroll in August, your payment plan could be 8 or 9 months)
2. You can set up automatic payments from your checking or savings account with a flat \$2.50 charge for each payment, or you can pay by credit card with a 3.05% fee.
3. Also, payments by check (written to Saddle River Day School) can be sent to my attention (Gina Brinkman) at SRDS.
4. The deposit and full amount for tuition insurance are due with your contract signing; the full amount for bus transportation will be due with the first payment, and all other charges (Tuition, Meals and Technology) are spread throughout the number of payments you choose on your contract.
