SHORT-TERM LEAVE REPLACEMENT ELEMENTARY TEACHER

As our Short-Term Leave Kindergarten Teacher, you will step into a vibrant classroom community. You will be responsible for delivering engaging, play-based, and structured lessons that align with our foundational curriculum. As this is a short-term leave, the ideal candidate is someone adaptable, highly organized, and excellent at building connections with 5- and 6-year-olds in an integrated co-taught setting.

Position – Short-Term Leave Replacement Grade K:

- Full-time, short-term leave replacement start on or about 9/3/2026 for the 2026-2027 school year

Certification:

- NYS Elementary Education Certification
- Dual certification preferred with NYS Special Education
- Bilingual Candidates preferred

The successful candidate will:

- Design and deliver lesson plans differentiated learning activities, interventions, and enrichments that are diagnostic and prescriptive; that include foundational literacy, early math, social studies, and science, while infusing your own creative teaching style.
- Develop classroom routines and positive behavioral expectations to ensure a safe, structured, and predictable environment for students.
- Observe, document, and assess student growth during the assignment period; communicate any notable insights to the grade-level team.
- Work closely with the special education co-teacher, Kindergarten team, paraprofessionals, and support staff to ensure consistency across the grade level.
- Keep families updated on classroom activities and student progress with warmth and professionalism.
- Enjoy working with young children and bring energy and excitement to the classroom each day.
- Have teaching experience at an elementary level.
- Have experience with multiple methods of progressing monitoring and preparing data in a visual form for lesson design in a team setting.
- Trained in MSRP language instruction such as Orton Gillingham or Wilson.
- Utilize a student centered, inquiry-based, multi-sensory approach to teaching.
- Incorporate the Computer Science and Digital Fluency Learning Standards into to

enhance & augment technology-rich instruction.

- Provide equitable and culturally competent learning practices.
- Align instruction to the Next Gen Learning Standards.
- Identify & participate in opportunities to expand his/her skills through professional development while maintaining a growth mindset.
- Fingerprint clearance is necessary.
