To: TSA In Lieu of Health Insurance Participants
Subject: 2026-2027 TSA Insurance Waiver Form

The TSA In Lieu of Health Insurance option is available only to employees who were actively participating in the TSA In Lieu program during the **2025–2026** school year. Please note that no new TSA enrollments will be permitted, and employees who elect District medical insurance coverage may not return to the TSA In Lieu option in the future.

To remain eligible each year, participating employees *must* complete an Insurance Waiver Form and provide proof of current group medical coverage to American Fidelity during the **2026–2027** Open Enrollment period.

Please note that you are waiving only medical insurance coverage. Employees may still enroll in dental and vision coverage during Open Enrollment.

To qualify for TSA In Lieu of Health Insurance, employees must meet with an American Fidelity representative during the **2026–2027** Open Enrollment period and provide the following:

- **Completed Insurance Waiver Form (American Fidelity will provide digital)**
- **Copy of current Medical Insurance Card**

Medical insurance cards must identify the employer's name or be accompanied by a letter from the insurance carrier verifying group coverage. Please note that Kaiser Permanente medical cards do not indicate "Group Coverage." Employees covered by Kaiser Permanente may obtain the required verification letter by contacting Kaiser Permanente Member Services.

Please be advised that individual or family plans purchased independently do not qualify as "Group Coverage" and therefore will not be accepted.

ENROLLMENT SCHEDULE AND DETAILS

The Open Enrollment period will take place from **June 01, 2026, to August 26, 2026**. American Fidelity representatives will conduct appointments at the District Office and school sites.

To schedule your appointment, please use the following link:

<https://enroll.americanfidelity.com/D4B969DE>

<https://benefits.americanfidelity.com/azusa-unified-school-district>

During your appointment, you will also have the opportunity to learn more about voluntary benefit options available through American Fidelity, including disability income protection, life insurance, cancer insurance, critical illness, and more.

There is no obligation to purchase any voluntary insurance products through American Fidelity.
