PUBLIC HEARING

At the Regular Board of Education Meeting, Commencing at 6:00pm
Wednesday, June 10, 2026
MDUSD Dent Center
1936 Carlotta Drive
Concord, CA

Topic: 2026-27 Local Control Accountability Plan (LCAP)

As required by Education Codes 42102, 42127, and 52062, all school districts that receive Local Control Formula Funding (LCFF) must develop a three-year Local Control Accountability Plan (LCAP). The LCAP must be updated every year and describe how a school district intends to meet annual goals for all pupils, with specific activities to address state and local priorities. Mt. Diablo's LCAP addresses college and career readiness, professional learning, engaging parents and community members, and the targeting of support for specific populations. These students include foster youth, emerging bilingual students, students experiencing homelessness, low-income students, and students with disabilities. Over the past six months, Council members, advisory groups, and school sites have facilitated meetings with and surveyed key educational partner groups providing opportunities for staff, students, and community members to provide input on the district's instructional program.

A public hearing is required to solicit public comment on the 2026-2027 LCAP draft. The draft LCAP for 2026-27 will be posted on the District's website at <https://www.mdusd.org/families/local-control->

[accountability-plan](#) at least 72 hours prior to the meeting. Print copies for viewing and printed comment cards will be available in the front lobby of MDUSD Dent Center, 1936 Carlotta Drive, Concord, CA, at least 72 hours prior to the meeting. Any comments or questions regarding the draft LCAP can be sent to lcap@mdusd.org or written comment cards can be completed in the front lobby of MDUSD Dent Center, 1936 Carlotta Drive, Concord, CA.

The draft LCAP will also be available for viewing on the June 10, 2026 agenda.

The LCAP will be brought back for Board approval on June 24, 2026.
