mental health and well-being,
substance abuse prevention**Promote School Safety & Security****Parent and Family Engagement**

Introduced salad option in the high school café.

Immunization clinic

Family First Fridays continue to be popular.

New Business: Child Nutrition - Breakfast Week promo went well. Educated elementary students on value of good breakfast. Games promoted breakfast awareness.

Finalizing menus for next school year.

Nursing - Immunization clinic updated immunizations for 30 students. Next clinic will be scheduled for April 18, 2026. It will be promoted with email blast.

There are new CDC guidelines. Waiting for Texas Dept of Human Services to guide schools on new procedures/responsibilities.

Analyzing reasons students visit the nurses office. Notice when students miss breakfast the number of "stomach aches" increase.

Prevent Blindness is our new partner for vision exam and glasses. Working on Lions Club to partner for next school year.

Free physicals for student athletes will be given again on April 24, 2026. We have serviced about 300 of 500 students needing physicals. Nurses are looking for a partner who can help this effort.

CERP - SB865 requires a designated team ready to respond to health issues. Heitzman has a draft of the CERP and will share with SHAC for inputs.

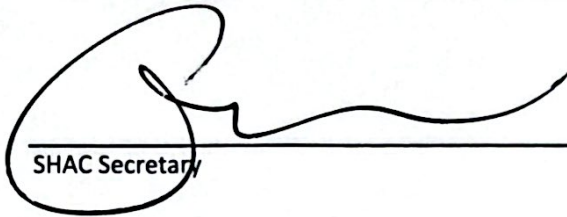

Training is scheduled for CERP team members. Need to designate for next year.

Annual School Health Survey is due for this school year. Heitzman will share each department's section and lend guidance and deadlines.

SHAC roles and responsibilities are changing. We will have Subjinski, Dang and Gipson give us their advice and input about these changes and how we will ensure compliance.
