District Mission

Each student will graduate prepared to lead a rewarding, responsible life as a contributing member of our community and greater society.

School Mission

We will prepare every student at Norman Rockwell for their future. We commit to:

- *Believe in the potential of every child.*
- *Create a learning environment that supports and motivates each student.*
- *Provide rigorous, challenging curriculum and instruction*
- *Empower students to become thoughtful, compassionate members of a diverse society*

School Funding

District General Fund Budget: \$602.5 million
District Per Pupil Expenditure: \$18,815.21 per pupil
Building Budget for this school: \$93,059

School Description

Nestled in a bustling international neighborhood, Norman Rockwell Elementary is a high performing elementary school in the Redmond region, serving students in grades Kindergarten through Five. Rockwell students matriculate forward to Redmond Middle School and Redmond High School, along with other choice schools and programs. With a focus on empathy, kindness, equity, and inclusion, Rockwell is guided by both the Lake Washington School District mission and vision, as well as our school vision statement: "Every student at Rockwell will develop the knowledge, skills, and personal attributes needed to become successful members of our community and the world." Innovation and technology are integral components of the Rockwell instructional program, and we work daily to provide our students with collaborative, rigorous learning opportunities rooted in instructional Best Practice and the efficacious use of technology. We incorporate numerous state-of-the-art technological tools into daily instruction, including Smart Boards, which may be found in every classroom and instructional space, and 1:1 devices, assigned to every Rockwell student. In 2018, Rockwell was awarded a Lake Washington School District Innovation Grant to build an "Outdoor Education Classroom" for interactive, hands-on science lessons.

2024-25 District Expenditures

Where does the money go?

Where does the money go?

2024-25 School Goals

Teachers analyze data from the previous year and the beginning of the year to determine areas of strength and areas of growth.

English Language Arts – Reading Fluency (Grades K-2):

All students will make gains towards meeting the end of 3rd grade reading fluency benchmark.

English Language Arts – Reading Comprehension (Grades 3-5):

All students will make growth towards meeting or exceeding end of 5th grade comprehension benchmark as measured by the Reading FastBridge.

Emotional Regulation (3-5 with Panorama Data):

All 3rd through 5th grade students will report Emotional Regulation as an area of strength or high strength on the Panorama Climate Survey.

State Assessment Results

Smarter Balanced Assessment (SBA)

School Building

Our school facilities are available for public use by contacting our school office.

Building Condition Assessment: Good

The Building Condition Assessment represents an overall permanent building condition assessment. It is conducted by a third party in accordance with the state's Asset Preservation Program.

Thank you, voters! A newly rebuilt and enlarged Rockwell Elementary School is expected to open Fall 2026. This project was funded by the 2022 Building Excellence Construction Levy.

Invitation to Participate

We welcome and appreciate the involvement of families and community members in our school. Please contact our school office if you want to join us and help make a difference for our students.
