Ms. Barajas' Class Amazon Wishlist

The QR code here is our class Amazon wishlist. You can find most of the items suggested above at the top of the list. You can sometimes find them cheaper in stores, but this will give you a visual as well. All others are wish items for our classroom. This has made things a lot easier for parents in the past, especially for those of us who live by delivery. :)

Thank you in advance for all your support and contributions.
