MISSION

Barbara Cardwell Career Preparatory Center, along with our community, will encourage high levels of learning for all students through positive relationships and rigorous instruction.

VISION

We will meet every student where they are and build individualized plans for future success.

The students who will be speaking at the graduation ceremony were selected based on neutral criteria to deliver messages of the students' own choices. The content of each student speaker's message is the private expression of the individual student and does not reflect any position or expression of the Board of Trustees, administration, other District employees, or the views of any other student.
