RMA PUBLIC SCHOOLS
2025-2026

Dear Class of 2026,

Today marks more than a milestone. It is a defining moment in your story. On behalf of the faculty and staff of RMA Public Schools, I am honored to celebrate you and extend my deepest congratulations.

Each of you arrived with a different journey, a different set of challenges, and a different vision for your future. Yet you stand here together, having made a powerful decision to keep going. You chose growth. You chose resilience. You chose to finish what you started. That is the mark of an RMA graduate.

As you step into what comes next, carry that same determination with you. Whether your path leads to college, a career, or a new direction still unfolding, trust your ability to adapt, to rise, and to lead your own life with purpose. You have already proven that you can overcome obstacles and create opportunities where others may not have seen them.

Take time to honor the moments that brought you here. The relationships you built, the lessons you learned, and the strength you discovered within yourself are not behind you. They are part of you. They will continue to guide your decisions and shape your future.

Hold tightly to the values that carried you to this day. Stay grounded in integrity, lead with perseverance, and pursue excellence in all that you do. You represent something powerful, and you carry that forward with every step you take.

Remember that your connection to RMA does not end today. You are part of a community that believes in you, supports you, and will always celebrate your success. We will be watching, proud of who you are and even more proud of who you are becoming.

Walk forward with confidence. Be bold in your choices. Stay committed to your vision. The future is not something you wait for. It is something you build.

With pride and unwavering belief in you,

Armard Anderson

MESSAGE FROM THE PRINCIPAL:

To the 2026 Graduating Class of RMA Fort Worth,

Today is more than a celebration of earning a diploma — it is a celebration of perseverance, resilience, and determination. Each of you has faced challenges, obstacles, and moments that may have tested your strength and your belief in yourself. Yet, despite every setback, you continued forward. That is what makes this achievement so meaningful.

I am incredibly proud of each of you. Your journey has not always been easy, but your courage to keep going speaks volumes about your character and your future potential. Never allow your past struggles to define your future possibilities. This diploma represents hard work, growth, and the power of not giving up.

As you step into the next chapter of your life, remember that success is not measured by how many times life becomes difficult, but by how many times you rise above it.

"*Success is not final; failure is not fatal: it is the courage to continue that counts.*" — Winston Churchill

Continue to dream boldly, work diligently, and believe in the greatness within you. Your RMA Fort Worth family will always be proud of what you have accomplished and excited for what lies ahead.

Congratulations, Class of 2026!

With pride,
Mrs. Evelyn Carter
Principal, RMA Fort Worth
