

Norfolk Public Schools Summer Food Service Program Information

School is (almost) out, summer meals are in! Norfolk Public Schools is once again sponsoring the USDA Summer Food Service Program (SFSP). Healthy meals that include protein, whole grains, fruits, vegetables and milk will be provided to all children ages 18 and under without charge in various locations throughout the city of Norfolk.

General Information:

The Summer Food Service Program (SFSP) is a federal USDA program.

Children must be present to receive a meal, and they must consume the meal on-site. A maximum of one breakfast and one lunch per child, per day, Mon- Fri, may be provided.

While participation in NPS summer academic programs is highly encouraged for students, it is not required to receive a meal. No application, registration, or proof of identification is needed for a child to receive a meal.

Meals provided are nutritious, tasty, and follow USDA’s nutrition guidelines. Locally grown foods are utilized when possible.

Meal choices will be the same, regardless of race, color, national origin, sex (including gender identity and sexual orientation), disability or age, and there will be no discrimination.

Meal sites and times are listed below. Information is current as of May 27. Updates will be posted on the department of School Nutrition’s web site throughout the summer. To contact School Nutrition, please email schoolnutrition@nps.k12.va.us or call (757) 628-2760.
