

AP European History

Summer Assignment

Students enrolled in AP European History are required to complete the following summer assignment prior to the start of the 2026-2027 school year:

1. Read and take notes on Chapter 11, "The Later Middle Ages," from Jackson J. Spielvogel's *Western Civilization Since 1300*.
2. As you read, consider the various crises of the 14th century and their impact on European society and peoples.

Students should be prepared for a class discussion and quiz on the material during the first days of school.
