Other Resources:
Caring Partners of Morris and Sussex - You have to call PerformCare to access these services, but they seem to offer quite a bit. Here is the link for more information - http://www.caringpartnerscmo.org/for-parents/accessing-services/

Center for Evaluation and Counseling - They have an office in Sparta and offer counseling for children. They are a non-profit, and offer evaluations for children so that they can then recommend specific resources. http://centerforeval.org/about-us/

Center for Family Services – Offer a variety of free services focused on mental health, counseling, in-office or in-home treatment, educational groups for social skills,

cyberbullying, non-traditional creative therapeutic arts, and parent support. https://www.centerffs.org/fis/services-north-jersey

Family Partners of Morris and Sussex County - They are run by families who have children with behavioral/mental health needs in order to help other parents navigate the system in order to get assistance for their children. http://www.familypartnersms.org/family-support.html

DASI - DASI is a private, community-based nonprofit agency operating in Sussex County, NJ as the primary resource for victims and survivors of domestic and sexual violence, and human trafficking. https://dasi.org/who-we-are.php

Ginnie's House - Founded in 1998 by Senator Robert & Ginnie Littell, Ginnie's House serves children in Sussex County, New Jersey. A CAC hosts a legally defensible forensic interview, and provides therapy and family assistance to victims of child abuse. Treatment for children at Ginnie's House is managed in a way that makes the child feel safe and special. All of our child therapists are trained in different modalities and utilize age-appropriate interventions. https://ginnieshouse.org/

Project Self-Sufficiency - To provide the help needed to empower low-income, at-risk individuals and families with the skills and support to achieve personal and economic self-sufficiency and family stability. The organization offers a wide range of services under one roof to help families achieve their goals, including job training and placement, career assessment, counseling, case management, and basic needs assistance. https://www.projectselfsufficiency.org/

Youth Advocate Programs - Morris-Sussex County YAP provides an array of services and supports that help individuals fully develop their strengths and realize their potential. YAP builds bridges between people and their communities, opening up access to critical materials necessary for positive development, like mentoring, social supports, health and mental health services, and educational and vocational support. Sliding scale based on need. https://www.yapinc.org/Locations/Morris-Sussex
