Senior Service Project Overview | Summer 2026

The TRA Senior Service Project includes summer service work, project hours, a portfolio, and a presentation.

Four Required Components

1	2	3	4
Summer service work 20 hours - independent work	Project 30 hours - group work	Portfolio	Presentation

Project

Your project has three phases, all of which will be completed by the end of the first semester.

A. Create the proposal

- With your team, identify a community need
- Develop an action plan to meet this need
- Collect resources necessary to complete the project
- Make a timeline and a schedule for completion

B. Implement the activity

- Put your action plan into practice
- Keep track of your effort in a log
- Keep records of your work - photos, videos, sketches, etc.

C. Evaluate and reflect on your experience and the changes that were made in the plan

- What benefits did the community gain?
- How did you gain from this experience?
- What changes occurred in the community because of your project?

The Portfolio

You will prepare a portfolio of your activities and progress. Included in the portfolio will be your:

- Checklist
- Proposal
- Time Log
- Presentation Materials
- Reflection Paper
- Teacher Portfolio Evaluation Rubric (blank) to be completed by your Faculty Advisor

The Presentation

Before the end of the first semester, you will present your project to a panel of faculty members.
