**May is Summer Fun Month!**

We're celebrating Summer Fun Months during May and June

Summer Fun brings the excitement of outdoor picnics and cook-outs to the cafeteria.

Students will enjoy summer-themed recipes and toppings to enhance everyday meals – and hopefully take some ideas home with them for summer vacation. Whether its hot dogs, burgers or great sides with fresh, local vegetables, May and June promise to be a fun experience in the cafeteria.

We'll celebrate Summer Fun with food to enjoy in the cafeteria, at barbecues and other summer celebrations.

**We finally made it to spring and the Chartwells team is looking forward to warm weather and a great finish to the 2025-2026 school year**

**May will feature fun menu options across the district – and plenty of popsicles for the elementary school field days!**

**April was World Languages Week at Staples, Bedford and Coleytown Middle. The Chartwells' menu featured a variety of dishes from around the world. Keep reading for updates and photos of all the events that happened recently.**
