

Parents/Guardians of current and incoming 7th graders:

Colorado law requires students to receive a dose of the Tdap vaccine before their first day of seventh grade. If your child has not received a Tdap vaccine, please visit your health care provider over the summer to ensure they are up to date, or provide their immunization record to the school showing they received an adolescent dose of Tdap on or after their 10th birthday. You can also submit an in-process plan, signed by your child's health care provider, showing that your child is catching up on their vaccinations, or complete a Certificate of Medical or Nonmedical Exemption for the Tdap vaccine.

Please visit the school website for required forms at

<https://www.fortmorgank12.com/departments/health-services/immunization-requirements-parent-information-and-forms>.

If you have any questions, please contact the school nurse, Carolyn Ruhl, at 970-867-8253 Ext. 5620 or email her at carolyn.ruhl@fortmorgank12.com.
