Updates to the 2026-27 academic calendar

In May, the Board of Education approved the following revisions to the 2026-27 academic calendar.

Download the 2026-27 academic calendar here. School calendars will be available soon.

- **Monday, Aug. 24:** Middle School Staff Development Day – No school for middle school students, grades 6-8
- **Tuesday, Sept. 22:** Middle School Staff Development Day – No school for middle school students, grades 6-8

- **Friday, Oct. 9:** District Homecoming, all schools dismiss two hours early
- **Monday, Nov. 9:** Middle School Staff Development Day – No school for middle school students, grades 6-8
- **Wednesday, Jan. 6:** Middle School Staff Development Day – No school for middle school students, grades 6-8
- **Friday, Feb. 12:** Instructional Planning Day – No school for students

Middle Matters: What the Middle School Staff Development Days mean for middle school families
To better support middle school students and staff, we've added four additional staff development days to the 2026–27 school calendar. On these days, **students in grades 6, 7 and 8 will not attend school**, giving our middle school teachers dedicated time to grow as educators and collaborate as a team.

Middle School Staff Development Days – No school for students grades 6-8

- **Monday, Aug. 24**
- **Tuesday, Sept. 22**
- **Monday, Nov. 9**
- **Wednesday, Jan. 6**

Middle school is a uniquely important time for a child's development — academically, socially, and emotionally. These days are specifically designed to help our teachers better understand and respond to the needs of students at this stage of life. During this time, teachers will be working together to:

- Deepen their understanding of what middle schoolers need to thrive
- Strengthen their teaching practices so every student is engaged and supported
- Build consistent systems across classrooms that help students succeed

We're committed to improving the middle school experience for teachers and students, and are excited for the work ahead. We are working on providing options for middle school students on these days. Stay tuned for more information.

Access your student's CMAS score reports through the Family Portal

In April, our students participated in the Colorado Measures of Academic Success (CMAS) tests, and their performance information is now available!

The Colorado Department of Education's Family Portal is a secure platform that provides an easy way for you to view important information about your child's academic progress based on the only assessments given to all Colorado students that measure what students should know and be able to do at the end of each grade.

Here's how to access your child's CMAS Report:

Visit the Family Portal: https://familyportal.pearson.com/CO

You'll need the following information to log in:

1. **Student's State ID (SASID)** – This is found at the top of your child's CMAS score report from last year. **You can also find your Student's State ID in by logging on to the Infinite Campus Parent Portal and looking for the Student State ID number located to the right of your child's picture. Please see the image below for details.**
2. Student's first name, last name, and date of birth

The results summary includes your child's score and performance level. By June 15, you will be able to access detailed results that provide:

- Information about your child's strengths and areas for growth;
- Comparisons of your child's performance to their peers at the school, district, and state levels; and
- Tips for supporting your child's learning at home.

You will also find resources to help you understand the results.

Remember - CMAS scores are one piece of the puzzle. CMAS scores provide insights about your child's academic journey based on Colorado's grade level expectations. We encourage you to view them alongside classroom grades and teacher feedback for a more complete picture of your child's progress.

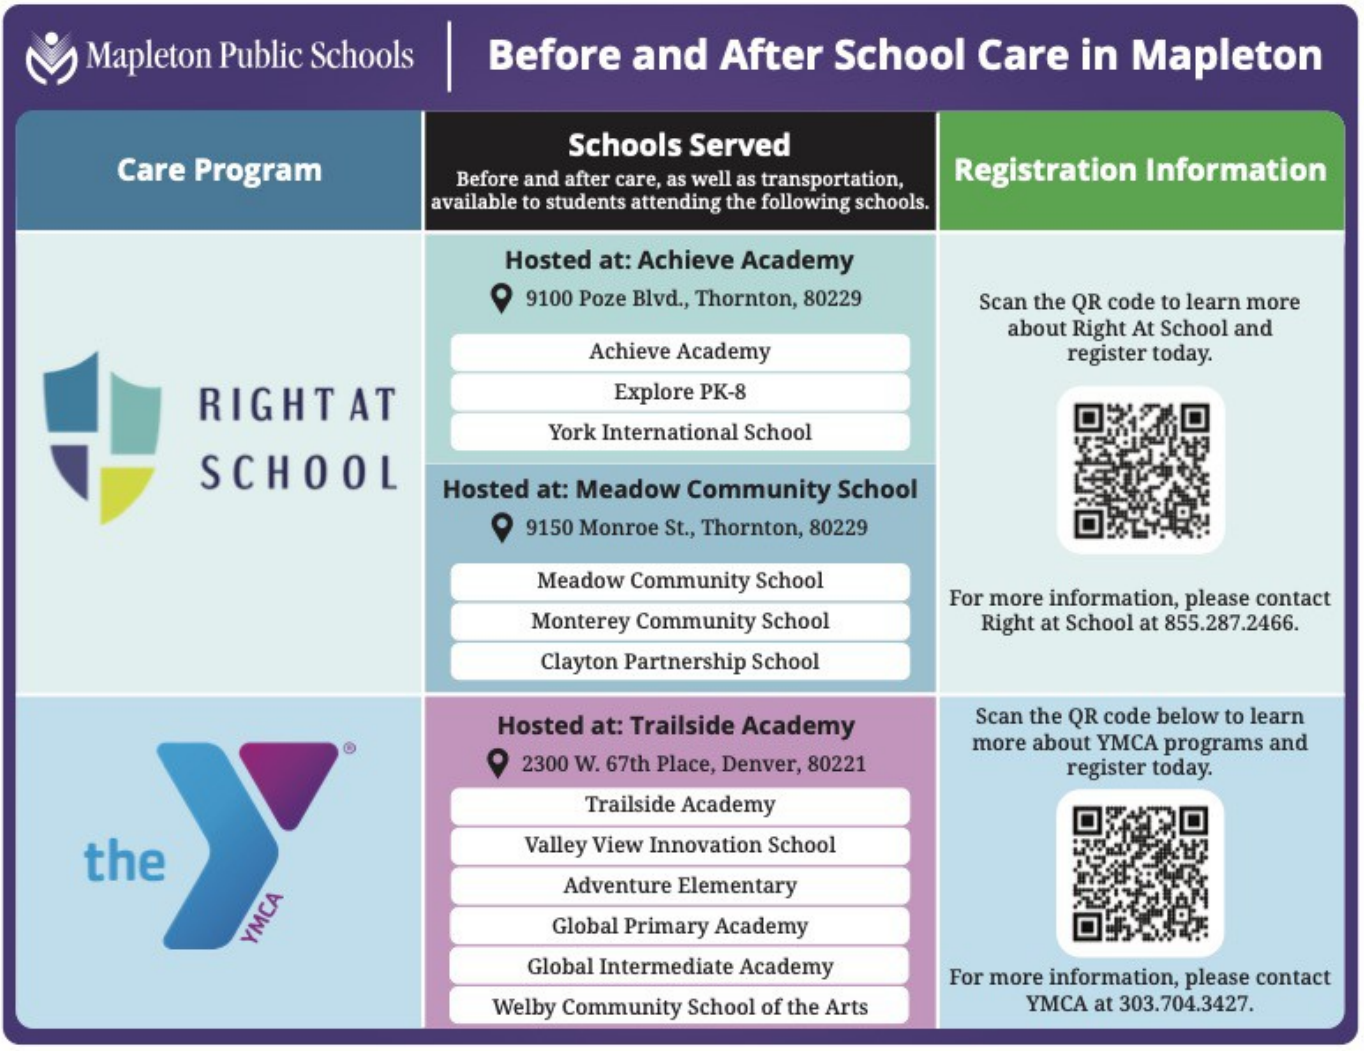
Wolverine Den summer closure

Mark your calendar! The last day to visit the Wolverine Den before it closes for the summer is on Thursday, June 18!

The Wolverine Den is a food pantry open to all Mapleton families. The Wolverine Den offers weekly essentials, including grocery items and household necessities, to Mapleton families at no cost. Check out the video to learn more about the Wolverine Den!

You can visit the Wolverine Den on the southeast side of **Achieve Academy (9100 Poze Blvd., Thornton, CO 80229) every Thursday from 9 to 11 a.m.** No appointment is needed.

To get started, you can create an account through the Food Bank of the Rockies. This information is kept confidential and shared only with the Food Bank of the Rockies.
The Wolverine Den is made possible through a partnership between Mapleton Public Schools and Food for Hope, working together to support and nourish our community.



Before and after school programs in Mapleton

Mapleton Public Schools understands that high-quality before and after school care is incredibly important to families. For many parents and caregivers, access to safe, enriching, and reliable care outside of the school day is not just a convenience, it can be a deciding factor when choosing a school. Mapleton is pleased to be partnering with two organizations to bring before and after school care to Mapleton families.
