OOMS Girls Golf 2026

Welcome
Parents and Players!

Welcome to Girls Golf! We are excited for a great season.

Tryouts: Tryouts are August 3rd and 4th. Players must attend both tryout dates. Times and courses will be posted soon. Expect morning tryouts. If you are out of town or cannot make BOTH tryouts, it is your responsibility to reach out to Coach Bridges as soon as possible. Scores determine the team. Be sure you have registered in Final Forms to receive information. Wear a white shirt and black pants/shorts/skort.

Communication: A weekly email will be sent to all families registered in Final Forms with updated information on rules, match dates and times, practices and tips for parents and players both!

Equipment: Players must have their own set of golf clubs (Driver, wedge, and putter), 5 golf balls for each match, and extra tees. Golf shoes or tennis shoes may be worn.

Optional: Golf towel, water bottle, sunscreen, hat, snack

Transportation: Players/families will provide transportation. There is no school provided transportation. Players are expected to arrive at least 30 minutes prior to each match. If transportation is an issue, let Coach Bridges know so help from other teammates can be found.

Matches: Matches include 6 team players from each team. Depending on the amount of players we have on our roster, every player might not participate every match. We will discuss this with the team and parents when the team is announced after tryouts.

Uniforms: Girls will need to order 2 shirts. Please use the following link to see shirts we will use. Girls may use any shirt that is close. White tank link and Blue tank link Once girls make the team, we will use Egelhoff to add our team logo. Players can choose to wear black leggings/pants/shorts/skort with the shirt. Tennis/golf shoes expected. A pullover is encouraged in case we have rain.

Greens Fees: Olentangy has **Pay to Play** sports fees that must be paid in **Powerschool**. Players pay greens fees for tryouts, practices, and range balls. The OOMS team pays course fees for any season matches. Greens fees for any participation in the family outing and tournaments will be paid by the player. The team will hold a Fundraiser to help off set course fees and contribute toward tournaments. Fundraising ideas are appreciated. More details to come.

Final Forms: All athletes must complete medical and safety policies in Final Forms or they cannot participate in any activity. The system must be 100% green or you will not be able to participate in tryouts. Plan accordingly and schedule physicals early in the summer to give you time to upload the forms. www.olentangy.finalforms.com

Results: Results will be posted at the end of each match. And also expect a weekly email with results from the week, updates, and reminders for the upcoming week's schedule sent via Final Forms. Schedule changes will also be made here.

End of Season Celebration: Family Scramble @ Big Walnut the week of Sept 14 Each golfer will play with a family member or friend of their choosing. This will be our end of season celebration!
