## April Highlights

April flew by with many youth led activities, including a very delicious Chilaquiles cooking activity! We got outside to play youth-led soccer, and learned how to play Deadline tag, and learned how to make paper footballs. One of our first graders led a community clean-up for Earth day, both helping the environment and our community!

We can't wait to see what our youth come up with next year!

### A farewell from Ms. Cherry:

I want to take this opportunity to thank you all, the amazing families! It was a true pleasure working with your kids, as they have been part of my everyday life as I come here to work. I have watched them grow, learn more about them, to some we conquer the challenges and walk through a better and rewarding relationship with trust. I cherish those moments and I wish all of them the best!

## Important Upcoming Dates
