Parent Involvement Policy

2025-2026

One of the primary functions of the SBDM will be to identify ways that Scotland Park Elementary can plan and implement effective parent involvement programs. The campus will also promote and encourage staff development as a means to increase academic performance.

The campus handbook will include:

- The campus's Parent Involvement Policy
- Information on the parents' rights to request information regarding the professional qualifications of their child's classroom teachers.
- Information explaining state academic standards and assessments.

During the school year, parents will also be provided with:

- Time information about programs.
- A description and explanation of the school's curriculum, forms of academic assessments used to measure student progress, and the proficiency levels students are expected to meet.
- Information on the level of achievement of the parent's child in each of the required state academic assessments.
- Frequent reports on their child's progress.
- Reasonable access to staff, opportunities to volunteer and observe.
- A Home-School compact that describes parents' and the school's responsibilities.
- Parent-teacher conferences after the first nine weeks of school, at which the Home-School compact will be discussed and signed.
- A flexible number of meetings, such as meeting in the morning or in the evening, and may provide, with Title I funds, transportation, child care, or home visits, as such services are related to parental involvement.
- As necessary, timely notice if their child has been assigned or taught for four or more consecutive weeks by a teacher who is not highly qualified.
