Additional information, including retiree rate sheets, is available on the District website at <https://www.azusa.org> under:

[Departments > Business Services > Fiscal Services > Benefits](#)

Please note the following important information:

- Eligible Certificated Retirees may receive a health insurance allowance of up to \$8,448 toward any retiree medical plan available through the District, provided they meet the age and service requirements outlined in the negotiated agreement.
- Retiree premium payments are made through the online payment platform **WEX**. If you already have a WEX account, your information will remain active. Newly retired employees will receive a welcome package after completing the enrollment process.
- If you are enrolling in Azusa Unified School District retiree benefits, please **DO NOT** complete the COBRA enrollment documents from WEX. COBRA documents are only for individuals continuing coverage independently and not through AUSD retiree benefits.

- Retiree premium payments are due monthly throughout the year (12 months). Failure to make payments by the due date may result in cancellation of benefits and loss of eligibility for future enrollment.
- Please also note that under SISC guidelines, once retiree medical coverage is waived or terminated, you may not re-enroll at a later date.

Please do not hesitate to contact me if you have any questions.

Thank you.
