Overview

As a part of the reorganization of the Clark County School District, Lyon MS will form a School Organizational Team (SOT). The SOT will work collaboratively and make decisions to best serve the students, staff, and families of Lyon MS. SOT members will work with the principal by providing input on the school performance plan, the school budget, and school culture.
To keep everyone informed, CCSD has provided details about AB394 online at ab394.ccsd.net. This reorganization will focus on delivering improved services to students and families and better aligning resources with specific needs.
