## 2026-27 Christian Service Hour Guidelines and Expectations

*For the kingdom to come in this world, disciples must have the competence to see and the courage to act. -Blessed Basil Moreau*

The Christian service program is a graduation requirement in the theology curriculum. All students at Archbishop Hoban High School are required to complete a certain number of service hours each year.

### Service Hour Requirements

- Complete required hours of direct service with ONE service organization. ***Students may not piece together hours from multiple agencies.***
- Service sites must provide students with the opportunity to directly interact with the poor, vulnerable, and marginalized members of our community.
- The service site ***must*** be approved before a student can begin his or her service hours.
- Students will not be allowed to complete their hours at a site that does not offer opportunities to directly serve the poor, marginalized, or vulnerable. Places such as Vacation Bible School, PSR, retreats, sports camps or pet shelters ***will not*** be approved as a service site. These organizations do not provide opportunities for direct service with the poor or marginalized.
- Completion of the pre-approval form and all hours are logged using the site [x2VOL.com](http://x2VOL.com). New students will need to create an account using their Hoban email address. Returning students should simply log into the account which they have already created.
- Follow the QR code to access the Christian Service Page of the Hoban website for more information.
- Hours to complete:
  - Seniors - 25 hours
  - Juniors - 20 hours
  - Sophomores - 15 hours
  - Freshmen - 10 hours

**Service hours are due on Friday, April 9, 2027.** Students may begin working towards their hour requirement on June 1, 2026. It is recommended that students work on their service hours in the summertime when the demands of academics and co-curriculars are not as great.
